Re: Notice of Amendment to the Contract

Dear

Given the significant changes and pressures in the healthcare environment, we have undertaken a review of our network and are making changes to its composition. As a result, **UnitedHealthcare is amending your Agreement referenced above to discontinue your participation in the Medicare Advantage network effective on February 1, 2014.**

The enclosed Amendment reflects this change to your participation status in the Medicare Advantage network. **This Amendment does not require your signature.**

This Amendment is made in accordance with the following provision of your Agreement:

We can amend this agreement or any of the appendices on 90 days' written or electronic notice by sending you a copy of the amendment. Your signature is not required to make the amendment effective.

Please note that your Agreement shall remain in full force and effect for all other networks not specified in this Amendment and we are pleased to have you remain in those networks. Note that certain Medicare supplement plans do not require a network and are not included in your agreement today. Your provision of services and payment for covered services under those Medicare supplement plans are not changed by this amendment.

You may have appeal rights related to your removal from this network. Please refer to the enclosed Appeal Rights document.

This change in your participation status in UnitedHealthcare's network will be communicated to your affected patients in accordance with applicable law. We appreciate the service you have provided our members. If you have questions or would like to discuss this matter, please call 800-509-3023.

Sincerely,

A handwritten signature in cursive script that reads "Jenny Hayhurst".

Jenny Hayhurst
Vice President, Network Management
