

# Enrollment Obameter

A weekly update tracking the enrollment in health plans sold on the Affordable Care Act's insurance exchanges

**GOAL**

March 31  
White House target  
**7.1 million**

Oct. 31  
White House target  
**494,620**

Oct. 31

completed applications  
**52,119\***

**48 million**  
uninsured

\* Enrollment statistics so far are extremely spotty. The tally represents the District of Columbia and nine states running their own exchanges. It does not include any figures for the 36 states enrolling residents through exchanges operated by HHS via the troubled HealthCare.gov portal. States that declined to disaggregate numbers for private plans from Medicaid enrollment are omitted.
