

## NOT GETTING QUALITY REPORTING UPDATE

**Hospitals that were estimated to have lost 2% of their Medicare inpatient reimbursement in fiscal 2009 as a result of not qualifying for the full annual payment update for not properly reporting quality data. Medicare's official list includes 78 hospitals, but some were missing data needed for the list or were on the list mistakenly.**

Hospital	Estimated lost reimbursement*
Pacific Alliance Medical Center, Los Angeles	\$595,937
